SUBJECT INDEX

The asterisk (*) indicates an original article; the name of the author, in brackets, follows the entry. Page numbers refer to boldface numbers in the text. The heading "Deaths" follows all entries after the letter "D." Items indexed from the advertising pages include both issue number (bold) and paging. The author index now includes the title of the article under the main author; reference is made from the joint authors.

Abbreviations

Words ending in -ology and -ological are abbreviated as -ol. A compound word, the second part of which is capable of abbreviation, is itself abbreviated, as cardiopulm. for cardiopulmonary. States are abbreviated.
